

Camaloch Neighborhood

CAMANO ISLAND, WA

Life on Vacation

Camaloch real estate offers an opportunity to live like you're always on vacation! A friendly neighborhood full of amenities, and good people. Camaloch is one of Camano's premier areas to visit and to live. All residents have access to the golf course, pools, and community center

Extensive Variety

Escape to Camaloch on Camano Island, where luxury living meets leisure. With a golf course, two pools, and a chalet for reservations, enjoy relaxation in a gated community, fostering safety and neighborly bonds.

A Literal Hole in One

Discover our acclaimed 18-hole golf course, with membership included in home fees. Steve Love from Windermere Stanwood-Camano praises its growth and management, highlighting minimal wait times and a welcoming atmosphere.

The Whole Package

If golf isn't your thing, then the community has many other things to offer. For example, two resident-only pools available for use in the summers. Or the chalet, which can be rented out for parties. While the amenities are nice (and included in the neighborhood membership fees) many residents choose to live here because of the feeling of safety that comes with a gated community. In fact, a good number of people here choose to snowbird, spending the warm summer months on Camano, and going elsewhere for the winter, spring, and fall.

Lasting Friendships

If golf isn't your passion, don't worry, Camaloch offers a range of amenities for all residents. Enjoy exclusive access to two seasonal pools or rent out the chalet for events. These perks, included in neighborhood membership, complement the sense of security within our gated community. Many residents opt for a snowbird lifestyle, cherishing summers here and seeking warmer climates for the rest of the year.
